Club Protocols:

It is important here at the SGVCC and HDCC to ensure precautions are maintained for everyone's health and safety. Below are the new guidelines and practices moving forward until further notice in response to COVID-19. These trials will not be operating as "business as usual" and requires the following changes.

We will be adhering to CDC and AKC guidelines. It is imperative that all attendees strive to be as safe as possible.

General Practices: Clubs, officials, and participants are required to follow guidelines that apply to the area/site where the event is held. Exhibitor should follow the above safety steps as frequently as possible. Avoid physical contact (i.e. shaking hands, hugging), touching dogs that are not your responsibility, and sharing common use items (i.e. pens, pencils). Although the club has worked diligently to provide some sanitizing supplies around showgrounds, please also be self-sufficiently prepared with personal hand sanitizer, personal face masks, and memorize armband number before going to ringside. Do not congregate at the ring or either ring gates.

Face Masks: Per State of California health orders, everyone is required to appropriately wear face coverings anytime outside of one's home. Face masks must be properly worn, covering the nose and mouth completely, or you cannot participate in the show. **Exception:** Exhibitors may remove their mask while under their own tent. The mask must be put on correctly, covering the nose completely and mouth completely when exhibitor is outside of personal tent area.

Parking: Increased distance will be required between vehicles. This is especially for handlers that are crating from their vehicles. Please look for designated parking area signage directions on the day of event.

Crating/Shade: Do not remain on show grounds longer than necessary. For others entering in multiple classes and/or setting up canopy, please do not share canopy with anyone that is not from your immediate household. If you are asked to move farther away, Please Do It.

Check-In: Maintain at least six feet distance between stewards, secretary, and/or possible line of people. **Showing in Progress:** Colored flag indicators will be located on the ring's ground to help indicate where each exhibitor should stand reinforcing social distancing during the stand for examination portion.

Grooming Restrictions: Grooming area layout (marking off individual grooming spaces) will be created by club to comply with social distancing guidelines. Forced air dryers and fans of any sort are not recommended for use.

Prizes: At the conclusion of each class, judge will identify placements.

- a. Maintain social distance.
- b. Steward will sanitize hands before sorting ribbons and place on table.
- c. Exhibitor will pick up ribbon when exiting the ring.

Spectators: Please help to minimize the number of people on showgrounds. Spectators (i.e. significant others, spouses, non-participating individuals) are not recommended.

Judges and Stewards: Social distance shall be maintained as much as possible in and around the ring amongst each other. Hand sanitizing options and gloves will be provided ringside for easy access and those who wish to add additional layer of protection.

Lunch for judges, stewards, and committee members: Prepackaged lunch should be available along with as needed supply of bottled water.

Photography: Judge may be not be featured in win photos or special posing will be required.

Any person who fails or refuses to follow these established guidelines during the event or anywhere on showgrounds will be investigated by trial committee for misconduct prejudicial of the sport.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. By attending these events, you voluntarily assume all risks related to exposure to COVID-19.
