GENERAL INFORMATION

1. Dogs, which according to their owners' records have completed the requirements for a championship after the closing of entries for the show but whose championships are unconfirmed, may be transferred from one of the regular classes to the Best of Breed Competition, provided this transfer is made to the DogZibit at least one half hour prior to the start of the earliest Conformation judging at the Show.
2. Dogs need be present only for scheduled judging and will be released if not needed for further judging. Dogs must be ready for judging. Neither the Club nor DogZibit will be responsible or obligated to furnish any service for notifying exhibitors or their agents when the dog's presence is needed in a judging ring. Judges need not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging rings.
3. Only dogs eligible for these shows will be admitted into the show area. There is no provision for unentered dogs. All dogs present must be held on leash or confined to their crates except when being judged or when in exercising ring.
4. The Club reserves the right to substitute a prize of equal or greater value.
5. The welfare of an exhibitor's child s to be the responsibility of the exhibitor. It is distinctly understood that exhibitors will exercise control and restraint over their children during the show weekend.
6. This club does not agree to arbitrate claims as set forth on the official AKC entry form for this event.
